The Midas touch

Accessories play an essential role in any outfit and when it comes to dressing up for an extra special occasion, you're going to need an extra special handbag.

Metallics are all set to shine in the new collections and, if you want to make a real statement of style, go for gold.

Whether you choose a full-on design in gold leather or opt for a style embellished with golden beads or discs, you are guaranteed to shine through the proceedings with one of these exceptional designs on your arm.
